'A course for Non-Pasifika Teachers teaching Pasifika Students'

This course will offer Primary and Secondary teachers and leaders an opportunity to explore:

- **Cultural Context:** Understanding what is specifically Pasifika—Values, beliefs, protocols, vision, importance of family, church, the 'immigrant dream', geography, demographics, language and Pasifika education.
- **Effective Engagement:** With Students, Families and Communities, school-wide.
- **Best Practice:** What's working? Share what you do, hear research and case studies, hear from students, consider expectations, curriculum resources.
