

'Growing the Good Stuff'

OUTLINE OF THE COURSE:

Join us in the Nelson Tasman Region for the 2021 Horticulture and Agriculture Teachers Association (HATA) conference. Discover and learn about the innovative, environmental and cultural agricultural and horticultural initiatives that are happening both here in the region and further afield.

Participate in our workshops that will keep you both informed and inspired.

Enjoy time talking to like-minded teachers, sharing ideas and good practice.

Hosted by Motueka High School in the heart of our region. There is so much to see, discuss and take back to your students. Have a browse of the programme on the TRCC website www.trcc.org.nz for further details on the proposed field trips and workshops.

Why not stay on after the conference and enjoy some time in our region's national parks, beaches, mountain biking trails, tramping tracks or relax and sample Nelson's food and wine.

Do you have an inspirational idea for a workshop that you would like to deliver?

If so, please contact the committee via Jeff—jeff@bryant.net.nz

Shuttle buses will be provided on Monday 19th April from Nelson Airport to Motueka High School and return from Motueka High School to Nelson Airport on Thursday 22nd April 2021.

PPTA Subsidy available—Click [here](#) for details
